With reference to the above the undersigned has the honor to request that he will be so good as to furnish information on the following point. —

(1) Is there the total estimated for opening the road in question?

2. What amount has already been provided in the Plague or any other budget for the purpose?
What more is required therefor?
Where are the funds to come from?

In the Plague Commissioner's file No. 12448/30th September 1900, (a copy of which is herewith enclosed) it is stated that Rs 5992 more is required in addition to the sum of Rs 10000 already placed at the disposal of the President out of the amount provided in the Plague budget for July 1900: but Mr. Lee merely says in his No. 2831/1200 dt 5th Oct. 1900 that Rs 10,000 and more will be required if Rs 10000 has already been provided in the Plague budget, so here is the immediate necessity for more funds?

SIR,

With reference to your docket No. 9275 / L.T. 4-98 dated the 21st January 1901 - Calling for certain information regarding the opening of a road from Patnapete to Arcot Srinivasa Charlu Street in Bangalore, I have the honor to state that the estimated amount required exclusively for opening the said road is Rs. 5992/. as stated in the Plague Commissioner's letter No. 1244 dated the 30th September 1900, Copy of which was received with the reference under reply.

2. Besides the above road, the estimated Cost of the other improvement in the said Patnapet viz opening

out Cross roads &c is Rs 18,300/- as esti-
-mated by the Sanitary Superintending
Engineer.

3. A Sum of Rs 10000/- was provided
in the Provincial Plague Budget
